2014-15 V4 Custom Verification Worksheet

2014-15 V4 Custom Verification Dependent Student Worksheet

Verification information

What is verification and why was I selected?

Verification is the process by which certain required information on the FAFSA is reviewed for accuracy and completeness.

Students are selected for verification for one of the following reasons:

- The Central Processing System found inconsistencies and/or potential errors in the student's FAFSA
- Random selection
- School selection

Steps to complete verification:

1. Collect income tax and other required documents
2. Review SAR to determine if there are any requests for documentation
3. Complete all sections of this worksheet, sign it, and send the completed worksheet, income tax and other official documentation to the financial aid office at your school.

The financial aid office will notify you if there is additional documentation needed or any other questions to be answered. After verification is complete, you will be notified about the amount of financial aid you are eligible to receive.

The financial aid office cannot process your financial aid package until verification has been completed, so it is imperative that you provide the required documents as soon as possible.

- A signed statement from the individual receiving the child support certifying the amount of child support received; or
- Copies of the child support payment checks, money order receipts, or similar records of electronic payments having been made.

Receipt of SNAP Benefits

The parents certify that _____, a member of the parents' household, received benefits from the Supplemental Nutrition Assistance Program or SNAP (formerly known as the Food Stamp Program) sometime during 2012 or 2013. SNAP may be known by another name in some states. For assistance in determining the name used in a state, please call 1-800-4FED-AID (1-800-433-3243).

The parents' household includes:

- The student.
- The parents (including a stepparent) even if the student doesn't live with the parents.
- The parents' other children if the parents will provide more than half of the children's support from July 1, 2014 through June 30, 2015, or if the other children would be required to provide parental information if they were completing a FAFSA for 2014–2015. Include children who meet either of these standards even if the children do not live with the parents.

- A copy of the student's General Educational Development (GED) certificate, an official GED transcript that indicates the student passed the exam, or a state-authorized high school equivalent certificate.
- For students who completed secondary education in a foreign country, a copy of the "secondary school leaving certificate" or other similar document.
- An academic transcript that indicates the student successfully completed at least a two-year program that is acceptable for full credit toward a bachelor's degree.
- For a homeschooled student from a state where state law requires the student to obtain a secondary school completion credential for homeschool (other than a high school diploma or its recognized equivalent), a copy of that credential.
- For a homeschooled student from a state where state law does not require the student to obtain a secondary school completion credential for homeschool (other than a high school diploma or its recognized equivalent), a transcript or the equivalent, signed by the student's parent or guardian, that lists the secondary school courses the student completed and includes a statement that the student successfully completed a secondary school education in a homeschool setting.
