## **Incomplete Grade Policy Guidelines**

The Incomplete Grade “I” option will not be listed as a choice for instructors on course syllabus. The student assumes the responsibility for requesting an incomplete grade.

If the student has not officially requested and received approval for an incomplete grade before the deadline (the last day of final exams for the semester), the instructor enters a final grade for the work completed up to the point of the grading deadline for the semester. If the instructor does not enter a grade, the Registrar’s Office will assign an “F” grade. The student applies for an incomplete by submitting an Incomplete Request Form to the instructor. The instructor will inform the student as to whether the request has been approved or not approved and will then submit the Incomplete Request Form with his/her signature to the Registrar’s Office to be filed in student’s records.

The length of an Incomplete Grade “I” will be no later than three weeks (LEAD Program) or four weeks (T-9 and Online courses) or six weeks (Traditional-15 and BLEND courses) from the end of the course. An extension beyond the given time frame must be filed by the student by Academic Petition. If the work has not been completed and submitted to the instructor by the deadline, the instructor should post a “0” (zero) for the missing assignments and calculate a final grade to the Registrar’s Office. An Incomplete Grade “I” makes the student ineligible for the Dean’s List.
