

Accommodations for Students with Disabilities

Pillar College is committed to providing reasonable accommodations to students with disabilities to ensure that its educational programs and activities do not discriminate or have the effect of discriminating against persons with disabilities in accordance with Federal and State law and College policy. Academic requirements that are justifiably essential to a student's program of instruction are not considered discriminatory. Students with documented disabilities are entitled to receive approved modifications, accommodations, or auxiliary aids which will enable them to participate in and benefit from all educational programs and activities at Pillar College

Prior to receiving this assistance, the student must submit documentation to the Registrar's Office verifying his/her disability from a qualified professional source, outlining the nature of accommodations in instruction and testing required by the student.

While Pillar College is committed to serving all students and accommodating the needs of persons with various documented disabilities to the best of our ability, Pillar College is not legally responsible to fulfill every accommodation that is requested. All requests must be reasonable in scope and within the college's financial ability to provide.
