## MISSION STATEMENT

Pillar College **educates, inspires, and equips** students for excellent scholarship, service, and leadership. Rooted in and committed to Christian faith and love, Pillar College fosters intellectual, spiritual, and social development among its diverse student population at various instructional sites.

## ETHOS STATEMENT

Pillar College is a community of believers who have committed themselves to Jesus Christ as Savior and Lord. It is a community where persons seek to live out their commitment to Christ in lives of sanctity at both the personal and social level in accordance

with Scripture. Students, faculty, staff, and administrators seek to develop and nurture relationships in mutual respect. They exercise their responsibilities within certain policies and structures that make it possible for the institution to fulfill its mission. Members of the Pillar College family bear witness to the authentic Christian faith by living and working in true Christian discipleship. Personal integrity, purity, and love for one another are the hallmarks of this discipleship which in turn influences the entire community.

Through shared experiences in classes, study, chapel services, meals, small groups, and prayer meetings, the members of this community encourage one another to find wholeness in Christ and fitness for ministry in the church and other vocational settings. Based on these general principles outlined in the Pillar Ethos, a standard of conduct emerges.

## STANDARD OF CONDUCT

At Pillar College, we strive to bring all of life under the Lordship of Jesus Christ. We believe that a personal faith in Jesus Christ is the foundation for social, intellectual, and spiritual growth; further, the College believes that as ethical principles of the Christian faith are applied to life, certain actions are beneficial and others are detrimental to the development of Christian character. Spiritual discernment and restraint are needed in seeking to lead a holy life; this includes what you allow your eyes and ears to be exposed to. God's Word specifically states that some actions such as stealing, the use of slanderous or profane language, occult practices, and inappropriate sexual behaviors such as premarital sex, marital infidelity, and homosexual behaviors are unacceptable; actions motivated apart from love and faith are dishonoring as well. The use of illegal drugs and other substances that are harmful to the temple of the indwelling Spirit are prohibited.

## FERPA STATEMENT

Since student records are protected under the Family Educational Rights and Privacy Act (FERPA), parents should understand that their rights transfer to the student when he or she reaches the age of 18 or attends a postsecondary school at any age. Pillar College agents cannot discuss or release student information to anyone, including parents, without the student's signed written consent. Below is a permission statement that the student may sign if s/he wishes to release student information to the designated parent/guardian.

Although a student choosing to enroll at Pillar College through the Dual Enrollment program is typically still under the age of 18, FERPA prohibits any College staff member (administrators, faculty, or staff) from discussing that student's enrollment, academic progress or history, class attendance, grading, or other information with that student's parent or guardian. Signing this form provides such consent, according to the information designated for release and to whom it will be released.

I, \_\_\_\_\_, authorize Pillar College to release my educational records, upon request, to the persons listed below, for the purpose of keeping them informed regarding my education at Pillar College.
