

Maintaining a Drug and Alcohol Free College

Alcoholic beverages, illegal drugs, misuse of prescription medications, and firearms are not permitted on Pillar College premises, including rented classrooms and any building or parts of buildings owned or operated by Pillar College. Refusal to comply may result in dismissal from the College.

Students convicted of crimes involving illegal drugs may lose their eligibility to receive federal financial aid.

Drug and Alcohol Abuse Prevention Programs

Pillar College has developed relationships with community organizations which provide programs to prevent the illicit use of drugs and the abuse of alcohol by students and employees, respectively. The programs provide services related to substance use and abuse including dissemination of informational materials, educational programs, counseling services, referrals, and college disciplinary actions. The extents to which these services are offered or made available vary depending on the institutional classification of the individual (i.e. faculty/staff or student).
